## Chapter 1 by Peter

Today was Scott's first day at Magic College, he was born with a magical talent of knowing when and how spells are made. But he decided to hide the power to his classmates. He was tall and had long black hair with brown eyes and his nose had freckles on it.

As he walked to MC (Magic College) he came across this boy who was practicing the most basic spell.

"Hello", said Scott

"Hi, say want to be my friend?", asked the boy

"Okay, but first tell me your name first", said Scott

"It's Weston", said the boy

"Nice, mines Scott", said Scott

"Mind If I ask you to help me with this spell?" said, Weston

"Telekinesis Is it, try putting your middle finger at the same level as the index finger?"

Weston tried what Scott had said and he lifted a whole mailbox!

## Chapter 2 by intellikat

"Game? What game?"

"You know, the Xixxox match between Magical College and Magical University. Gonna be elemental, bro."

Weston shook his head

Weston shook his head again. He didn't like to party or learn anything at Magical College, what with the lifting of random mailboxes and all the partying that obviously

happened here.
